G5. MOTION BY Mrs. Pintarelli SECONDED BY Mr. White
BE IT RESOLVED BY THE RIVER VALE BOARD OF EDUCATION that the Board, upon recommendation of the Superintendent of Schools, **approves the resolution opposing the proposed increases to the School Employees Health Benefits Program as set forth below:**

WHEREAS, the School Employees Health Benefits Program (SEHBP), governed by *N.J.S.A. 52:14-17.46 et seq.*, offers medical, prescription drug, and dental coverage to participating school district employees, retirees, and eligible dependents; and

WHEREAS, all SEHBP plans are self-funded, meaning that the money paid out for benefits comes directly from an SEHBP fund supplied by participating local employers and member premiums; and

WHEREAS, the Division of Pensions and Benefits is responsible for the daily administrative activities of the SEHPB, the School Employees Health Benefits Commission is the executive organization responsible for overseeing the SEHBP; and

WHEREAS, the School Employees Health Benefits Commission, comprised of state officials, union representatives and a representative of the New Jersey School Boards Association, annually considers the calendar year premium levels for the Local Education Employee Group of the SEHBP based on recommendations found in the Rate Setting Recommendation Analysis of the Local Education Employee Group; and

WHEREAS, the School Employees' Health Benefits Plan Design Committee has the responsibility for and authority over the various plans and components of the plans, including for medical benefits, prescription benefits, dental, vision, and any other health care benefits, offered and administered by the SEHBP; and

WHEREAS, existing law requires three members of the School Employees' Health Benefits Plan Design Committee to be appointed by the Governor as representatives of public employers (i.e., local school districts) whose employees are enrolled in the program, but currently all such representatives are state-level appointees;

WHEREAS, the recommended rate changes for medical and prescription drug coverage for the Active 2023 Local Education Employer Group is 15.1%, which includes a 15.3% increase for active employees enrolled in NJ DIRECT 10/15 and a 14.9% increase for active employees enrolled in the NJ Educators Health Plan (NJEHP); and

WHEREAS, such proposed exorbitant rate increases will fall upon the local property taxpayer, as well as school employees, at a time where there is record inflation; and

WHEREAS, since employees enrolled the NJEHP pay a percentage of salary toward their health benefits per P.L.2020, c.44, commonly referred to as "Chapter 44", any increase in NJEHP premiums will fall almost entirely upon local boards of education, placing a severe strain on their budgets; and

WHEREAS, the proposed premium increase for most active employees will take thousands more out of their paychecks annually and lead to huge costs for local school districts that will translate into higher property tax bills for struggling families; and

NOW, THEREFORE, BE IT RESOLVED, by the River Vale Board of Education in the county of Bergen to call upon the School Employees Health Benefits Commission to reconsider the rate increase and strike a rate increase that is appropriate in the current economic conditions; and

BE IT FURTHER RESOVLED, that the River Vale Board of Education in the county of Bergen urge the Legislature to adopt legislation expanding the composition of the School Employees Health Benefits Commission and the School Employees’ Health Benefits Plan Design Committee to include additional representatives from local school district management; and

BE IT FURTHER RESOLVED, that the River Vale Board of Education in the county of Bergen urge the Legislature and executive branch to examine the impact that “Chapter 44” has had on school district budgets and to adopt legislation that will reverse any of its negative consequences and provide relief to those districts; and

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to Governor Murphy, State Treasurer Muoio, Senate President Scutari, Assembly Speaker Coughlin, Senator Holly Schepisi, Assemblyman Robert Auth, Assemblywoman DeAnne DeFuccio, and the New Jersey School Boards Association.

PUBLIC COMMENTS – GENERAL ITEMS

THE RIVER VALE BOARD OF EDUCATION IS committed to encouraging the citizens of River Vale and employees of the River Vale School District to speak directly to Board Trustees. In order to facilitate this communication, residents and employees are requested (1) to sign in before speaking; (2) to maintain an appropriate sense of decorum; and (3) to limit their remarks to no more than five minutes. The Board will also take under advisement the written comments and opinions of non-residents that are submitted to the Board Secretary. Being mindful of its responsibility to maintain the orderly conduct of meetings, the Board retains the right to rule on such matters as the speaker’s right to address the Board, as well as the appropriateness of the subject being presented. The Board’s decision in such matters is final.

The Board also reminds all members of the public that while it subscribes, without reservation, to the principle of keeping the community informed, by policy and law, it cannot allow public discussion of personnel matters, nor can Trustees comment on any current or pending litigation. If a matter concerning an employee of the River Vale Public Schools is of interest or concern to a resident, the matter should be referred to the responsible building principal or the Superintendent of Schools by telephone, letter or email.

Meeting opened to public comments at 7:25 P.M.

Public comments:

Louana Austin, 221 Rockland Avenue: Ms. Austin thanked Mrs. Dowling for her curriculum presentation. Ms. Austin commented in favor of the resolution regarding the proposed increase in the costs of State health benefits and inquired as to whether the district would hear back on this proposal.

Ms. Ippolito, School Business Administrator, replied that we joined the NJSBA and other districts to try to stop this from occurring but to date had no information as whether this increase will come into effect. Typically a report will be issued in August which projects health benefits increases and will advise when we do.

Meeting closed to public comments at 7:28 P.M.

OLD BUSINESS

Mrs. Berkowitz inquired whether the district would be holding Math and Literacy Nights as in the past. **Mrs. Signore** replied there were no plans for this year as the staff felt the

program needed a refresh. In October when the new math and literacy standards are released, perhaps it will be discussed at that time.

Mrs. Berkowitz also thanked Mrs. Dowling for her efforts on the new curriculum and website and considered it a huge asset to parents and very user friendly. Mrs. Berkowitz inquired about differentiation in the Math curriculum.

Mrs. Dowling indicated differentiation is a priority in the district and could provide guidance on where to find this information on the website. Mrs. Dowling indicated there will be separate time built into schedules this year to meet the needs of all students and allow teachers to use the benchmarks to teach to the standards.

Mrs. Signore also indicated that time for this has been scheduled for faculty meetings and hardwired into class schedules this year in order to provide time to actually implement these changes.
